For a calendar of events and more information on how you can take a stand against sexual violence, visit saam.ucsd.edu

#PowerInPrevention

While SAAM highlights the importance of raising awareness and building healthier communities free of sexual violence, we recognize that the increased prevalence of these discussions can be challenging for survivors with direct experience of these issues. If you are in need of support services or additional resources, please contact our 24/7 access line at (858) 534-5793.
